Petition for Course Equivalency Overseas Study and non-IUB Transfer Credit

Complete this form using Adobe Acrobat on a computer. Handwritten forms are not acceptable.

Use this form if you would like to have transfer credit evaluated to count toward your Media School degree as other than undistributed credit as determined by the Admissions Office. You must have a syllabus from an accredited institution. You may list up to four courses on this form if they are from the same institution. Please use a separate form for each college or university.

Your transfer credit may come from another American college or university or from a study abroad program. If you participated

in an IU-sponsored study abroad program, you do not need this form because your courses should already have IUB names and numbers. If you do not know whether or not your program was IU-sponsored, please consult with the Office of Overseas Study.

Be aware that courses from foreign universities not sponsored by IU will likely not count toward degree requirements, although they may count as elective credit toward your major, and **NO course counts as MSCH-C 101.**
