Productions using *Studio 5* or *Studio 7* may require the presence of an RTVS engineer at The Media School's discretion. If engineering support is necessary, you will be required to also hire RTVS independently of this contract.

### On-location video production (on campus):

#### **Videographer service: \$200 for 90 minutes; \$100 each additional hour**

Includes one camera and lavalier microphone. Suitable for recording lectures. Includes delivery of media files.

## AUDIO PRODUCTION

---

### Studio rental: Studio 8 | Franklin Hall 119/119A

#### **Podcast or other interview-style segments: \$100/hour**

Phone tie-in capability. Up to eight guests in the studio. Includes board operator and minimal set-up and breakdown time.

Minimum **three-week advance notice** and reservations required. Rates include on-site staffing by student and/or professional staff employees. Reservations contingent upon staff and facility availability.

For facility reservations, please use Ad Astra via **one.iu.edu**.

For other requests, contact Kenny Smith, **kds21@indiana.edu**

## **ROOM RENTALS**

---

**Franklin Hall commons: \$300/hour**

30-minute minimum each set-up and strike time

**Screening room (seats 20): \$100/hour**

30-minute minimum each set-up and strike time

### **Room rental a la carte options:**

**Technical staff assistance: \$25/hour**

Required for screen usage

Some reservations will require a Media School representative, and may include an additional fee.

Please see [this page](#) on The Media School's website for more information about using the commons for catered events, or for events that require reconfiguration of furniture.

All rates are calculated on an hourly basis. Services available only to IU schools, departments and units. Internal billing only. Please contact us for consultation on other potential production needs. **No equipment rentals.**

Flat day rates may be available for some of our facilities.
