Petition for Course Equivalency Overseas Study and non-IUB Transfer Credit

Complete this form using Adobe Acrobat on a computer. Handwritten forms are not acceptable.

Use this form if you would like to have transfer credit evaluated to count toward your Media School degree as other than undistributed credit as determined by the Admissions Office. You **must** have a syllabus from an accredited institution. You may list up to four courses on this form if they are from the same institution. Please use a separate form for each college or university.

Your transfer credit may come from another American college or university **or** from a study abroad program. Before you submit this request, please search IU's Credit Transfer Service database

at <http://cts.admissions.indiana.edu/> to determine whether or not your course has been previously evaluated. This database lists evaluated Overseas Study courses and how they are set to automatically transfer to IU Bloomington. For IU sponsored programs, please also check the Office of Overseas Study course lists for how that course credit is set to transfer.

Be aware that courses from foreign universities not sponsored by IU will likely not count toward degree requirements, although they may count as elective credit toward your major, and **NO course counts as MSCH-C 101 Media.**
